

**USER MANUAL
FOR
HOPE CUSTOMER MANAGEMENT SYSTEM
(HOPECMS)**

1. Registration: Email and Google OAuth

The screenshot shows a dark-themed registration form for 'Hope, Inc. CUSTOMER MANAGEMENT SYSTEM'. The form is titled 'Create an account.' and includes a note: 'Fill in your details below to get started.' Below this, a warning states: '* New accounts require activation by a Sales Manager'. The form contains several input fields: 'FIRST NAME' (with 'Juan' entered), 'LAST NAME' (with 'Cruz' entered), 'USERNAME' (with 'juandefcruz' entered), 'EMAIL ADDRESS' (with 'you@example.com' entered), and 'PASSWORD' (with a placeholder 'Min. 6 characters'). A 'Create account' button is positioned below the password field. Below the button, there is a link 'or continue with' followed by a 'Google' logo button. At the bottom, a link 'Already have an account? Sign in' is visible.

Fill out the necessary information needed and use a valid Google email address to make an account or alternatively you can use Google OAuth to register.

The screenshot shows a dark-themed confirmation screen for 'Hope, Inc. CUSTOMER MANAGEMENT SYSTEM'. It features a circular icon with an envelope symbol. The main heading is 'Check your inbox'. Below this, it states: 'A confirmation link has been sent to **prismiclegacy@gmail.com**. Click the link to verify your address.' A light gray box contains the text: 'After confirming your email, a Sales Manager must activate your account before you can sign in.' At the bottom, there is a link 'Already confirmed? Sign in →'.

After creating an account, you need to confirm your sign up with the email you used.

Hope, Inc.

CUSTOMER MANAGEMENT SYSTEM

Welcome back.

Sign in to your account to continue.

Your account is pending activation.

Don't have an account? [Create one](#)

You will need to wait for an Admin to approve and activate your account to be able to login.

2. Login and Guard Behavior

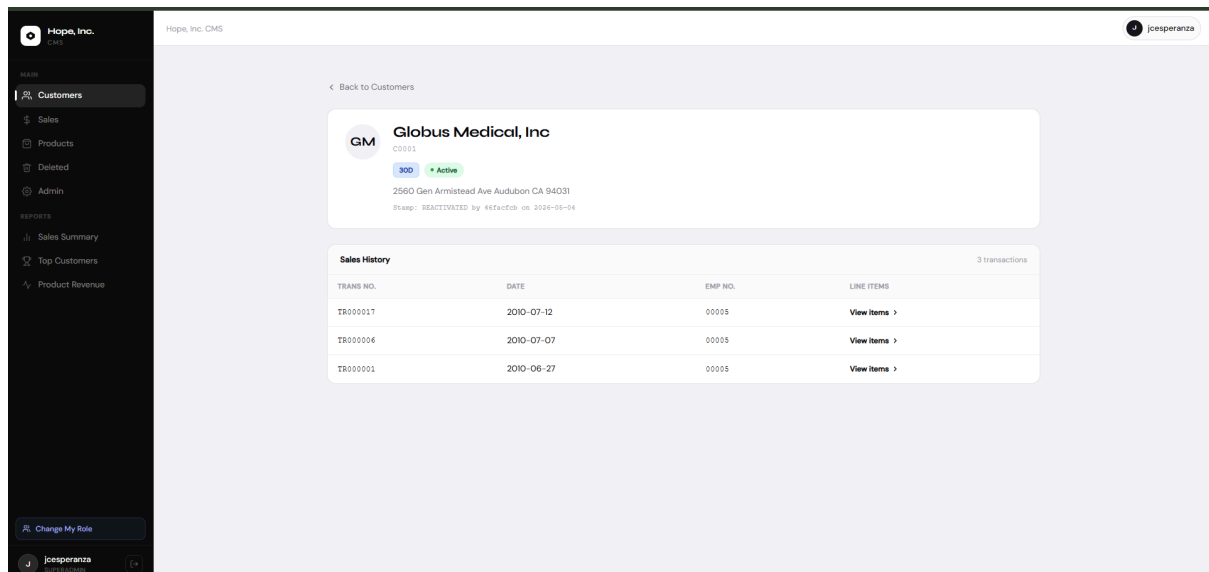

Once you have a registered account, you will be redirected to the Customers page and access the website.

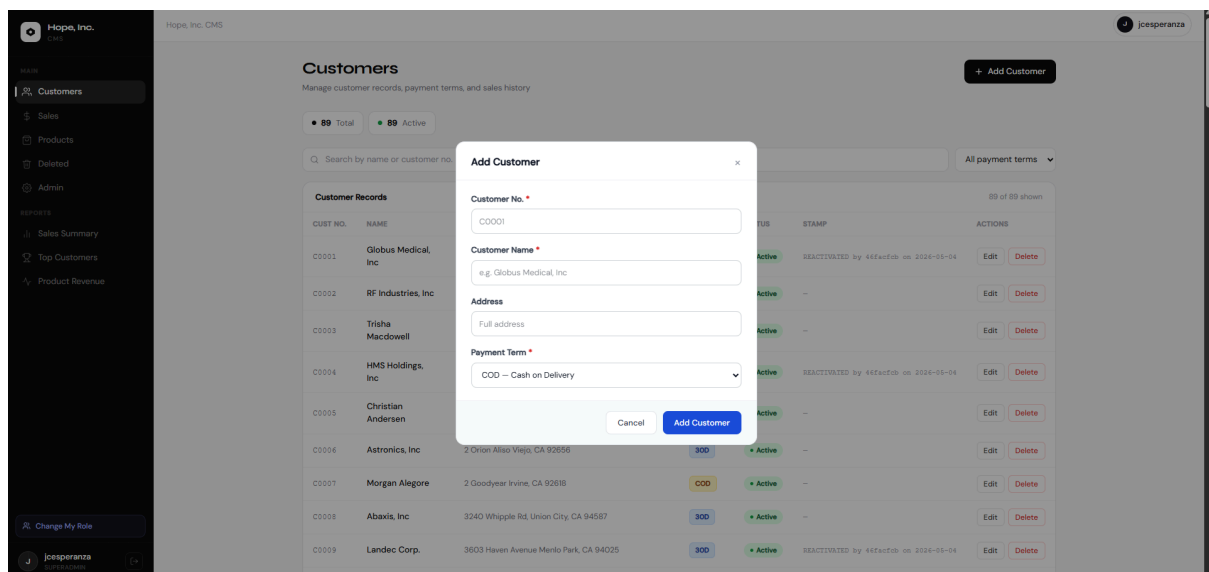

But if you try to login with an unregistered account, it will give you an error message

“Invalid login credentials” and won't let you through.

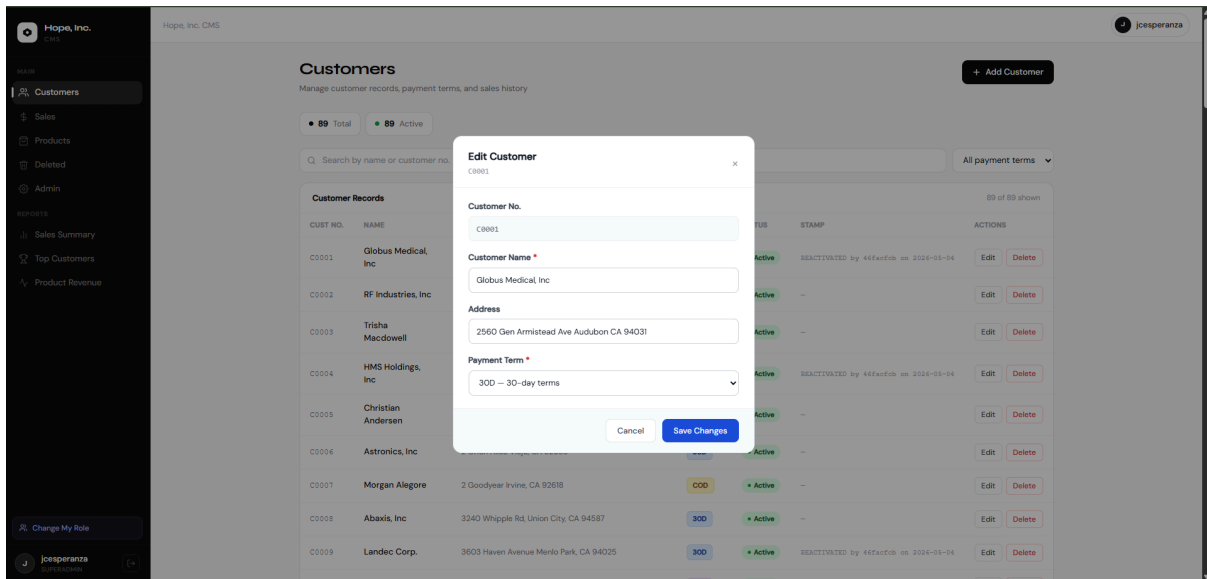

3. Customer Management: View, Add , Edit, Soft-Delete, Recover

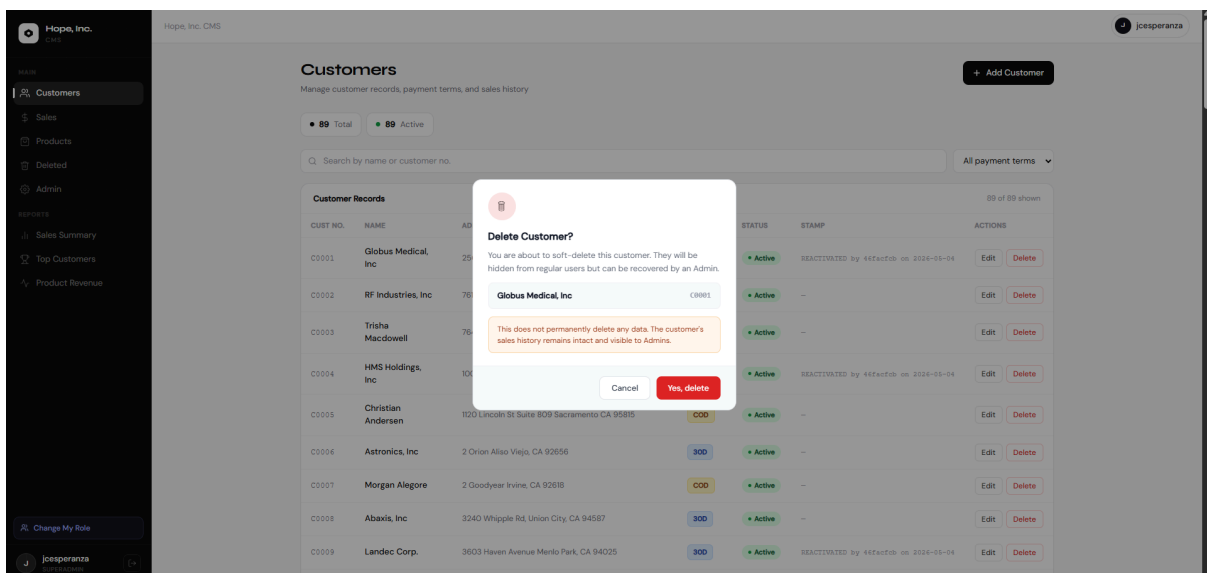

View page: Where you can view the information of a customer.

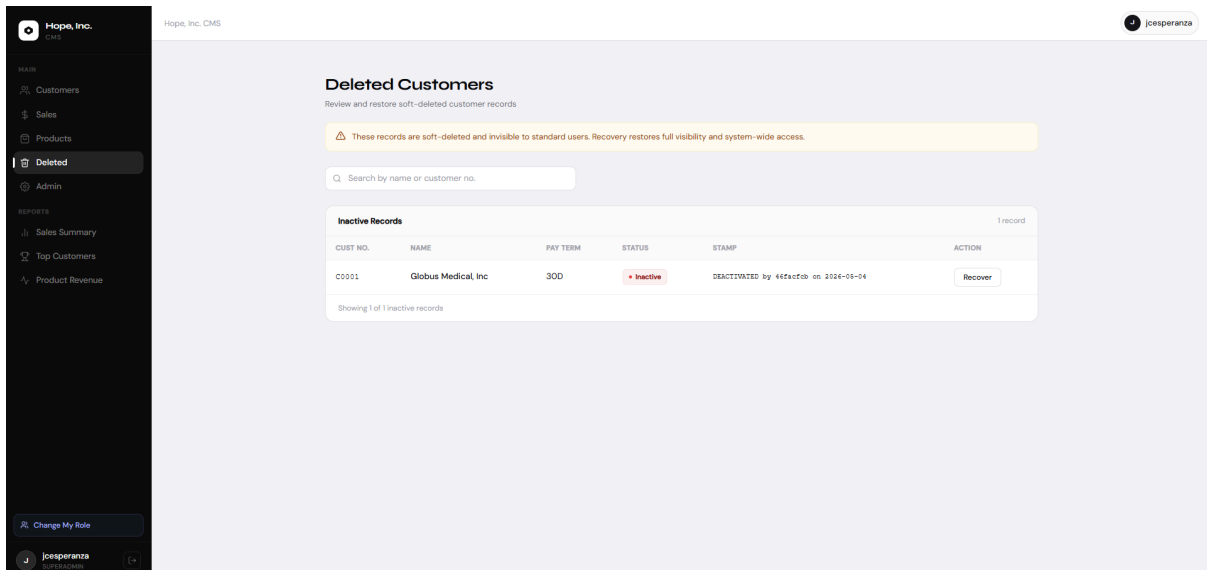

Add page: This is where you add a new customer and fill in their details.

Edit page: A panel where you can edit/update the information of any customers

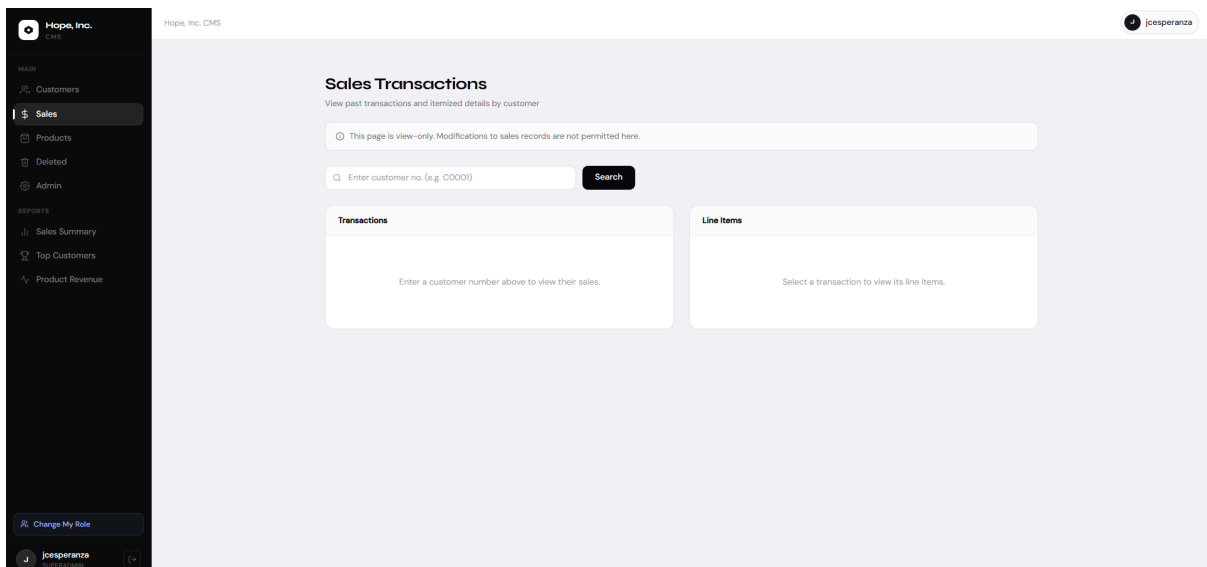

Soft-deletion of customers: Only visible and available to the super admin, a button next to the customer to soft delete them and remove them from the list.

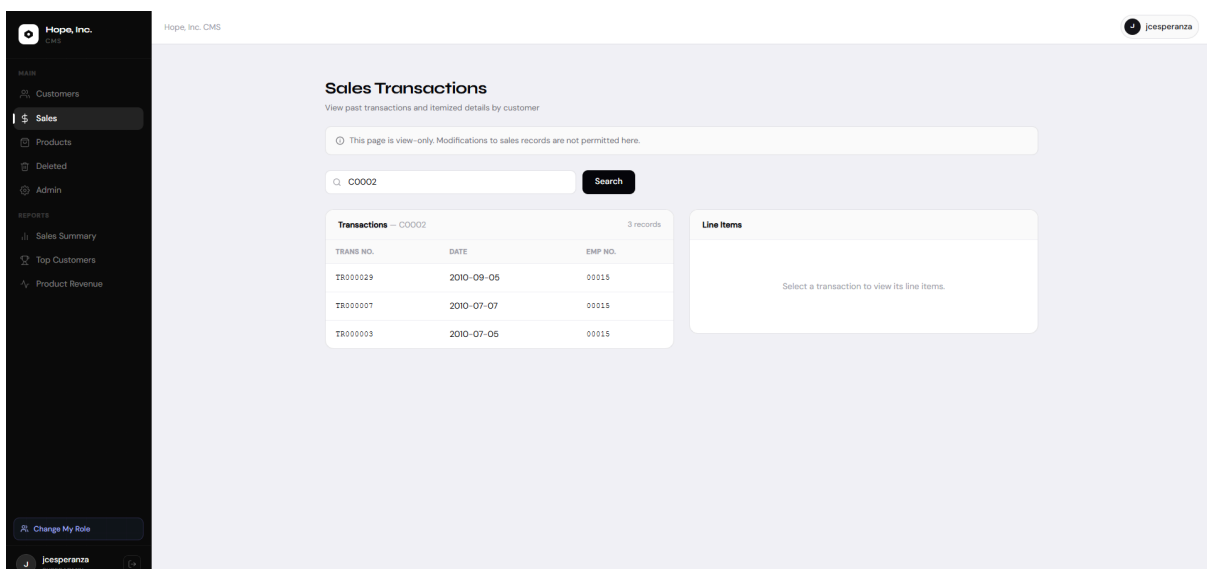

Recover page: Only visible and available to the super admin and admin, here they can recover soft-deleted customers to bring them back to the list of customers.

4. Sales History Navigation: Customer -> Transaction -> Line items

First of the sales page, the Search and Retrieve to look for a customer and it shows their transaction history and line items.

Once retrieved it will list all their transaction history.
